Water to Wine Project Agreement

This restaurant agrees to promote the Water to Wine Project (W2WP) to its guests. It is understood that each guest is invited to participate in the W2WP by donating one quarter. If a guest would like to give more, they will be encouraged to visit the website where they can make additional donations. 100% of every quarter received from participating restaurants will go to funding a clean water project.

The restaurant agrees to keep accurate records of the number of quarters donated. These donations will be forwarded to the W2WP by check or money order and will include the weekly date for that donation. We agree to send these funds weekly as per the arranged day. In the event of closure for a period of time we will notify the W2WP of such event. This restaurant will be listed on the W2WP website as a partner.
